Independent Auditors' Report

To the Board of Directors of **Boston Children's Chorus, Inc.**

We have audited the accompanying financial statements of Boston Children's Chorus, Inc. (the Chorus) (a Massachusetts nonprofit Chorus), which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Boston Children's Chorus, Inc. as of June 30, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 2 to the financial statements, the Chorus. has adopted the Financial Accounting Standard Board's Accounting Standards Update (ASU) No. 2018-08, Not-for-Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (Topic 605), as amended, ASU No. 2016-18, Statement of Cash Flows (Topic 230) - Restricted Cash, and ASU 2014-09, Revenue from Contracts with Customers (Topic 606). Our opinion is not modified with respect to this matter.

Report on Summarized Comparative Information

We have previously audited Boston Children's Chorus, Inc.'s 2019 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated April 28, 2020. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2019 is consistent, in all material respects, with the audited financial statements from which it has been derived.

1. CHORUS

Boston Children's Chorus, Inc. (the "Chorus") harnesses the power and joy of music to unite the City of Boston's (Boston) diverse communities and inspire social inquiry. Our singers transcend social barriers in a celebration of shared humanity and love of music. Through intensive choral training and high-profile public performance experience (locally, throughout the U.S. and around the world), they learn discipline, develop leadership skills, and proudly represent Boston as ambassadors of harmony.

The Chorus offers an after-school program focused on aural music education and social inquiry and justice curriculum. The program places participants in multiple choirs that are organized by age range, skill level, and vocal quality. Each of the choirs participates in culminating concerts and some of the advanced groups are able to take advantage of high-profile performance opportunities around the area, panel discussions with subject-matter experts, and touring opportunities locally, domestically and internationally.

The Chorus' operations are funded primarily by foundation grants and contributions from the general public

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The Chorus prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). Accordingly, revenue is recognized when earned and expenses when incurred.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

NET ASSETS CLASSIFICATION

The financial statements are presented on the basis of without donor restricted net assets and with donor restricted net assets, in accordance with guidance issued by the Financial Accounting Standards Board ("FASB"). Accordingly, net assets of the Chorus and changes therein are classified and reported as follows:

Without Donor Restrictions

Net assets without donor restrictions are those net resources that bear no external restrictions and are generally available for use by the Chorus.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NET ASSETS CLASSIFICATION (CONTINUED)

ACCOUNTS RECEIVABLE

Accounts receivable are presented net of the allowance for doubtful accounts. The Chorus' periodic evaluation of the adequacy of the allowance is based on its past experience. Accounts receivable are charged off when deemed uncollectible. The allowance for doubtful accounts was \$0 and \$5,200, respectively, at June 30, 2020 and 2019.

GRANTS AND CONTRIBUTIONS

Grants and contributions are recognized when a donor makes a promise to give to the Chorus that is, in substance, unconditional. All contributions are considered to be available for use without donor restriction unless specifically restricted by the donor. Grants and contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted grants and contributions are reported as increases in temporarily restricted net assets depending on the nature of the restrictions. When a restriction expires, the net assets are reclassified to net assets without donor restriction and reported in the statement of activities as net assets released from restriction.

Conditional promises to give are those that include a barrier that must be overcome and either a right of return of assets received by the Chorus or a right of release of the donor's obligation to transfer assets to the Chorus. Conditional promises to give are not recognized as contributions until such time as the conditions upon which they depend are substantially met or explicitly waived by the donor. Proceeds received from conditional contributions are recorded as refundable advances until such time that the conditional barriers to revenue recognition have been overcome.

Unconditional promises to give that are collectible over time periods in excess of one year are recorded at their discounted net present value.

Pledges receivable are reported at net realizable value if at the time the pledge is made collection is expected to be received in one year or less. Pledges receivable that are expected to be collected in more than one year are reported at fair value using present value techniques and are discounted using a rate to commensurate with the risk involved that is determined by management. Amortization of discounts is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions. At June 30, 2020 and 2019, there were no uncollectible unconditional promises to give.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

REVENUE RECOGNITION AND DEFERRED REVENUE

Tuition is recognized as services are provided based on the consideration specified in contracts with the students. Services consist of individual or group lessons based on the terms of the contract. Tuition received in advance of services being performed is recorded as deferred revenue in the accompanying statements of financial position. The Chorus provides services in one term throughout the year commencing in September and ending in June. Registration is ongoing. Students may register at any time throughout the year. The contract contains payment terms, as well as the rights and commitments of both parties. Tuition is billed based on the contract with the student. Revenue is not recognized unless collectability under the contract is considered probable, the contract has commercial substance and the contract has been approved.

Registration fees are earned at the time of the students' registration. These fees are billed and collected concurrent with registration.

Tour fees, ticket sales and performance fees are recognized at the time of the performance or tour.

Advance receipts of tuition and fees are recorded as liabilities until services are performed and revenue earned.

IN-KIND DONATIONS

The Chorus receives in-kind donations in support of its operations. Donated materials, facilities and services are recorded at fair value. Donated services that (a) create or enhance a nonfinancial asset or (b) require specialized skills, are provided by entities or persons possessing those skills, and would need to be purchased if they were not donated are recorded as contributions in the financial statements. Donated services such as fundraising, clerical assistance or other volunteer efforts not requiring specialized skills are not recorded in the financial statements.

FIXED ASSETS

Donations of fixed assets are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire fixed assets are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Chorus reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Chorus reclassifies temporarily restricted net assets to unrestricted net assets at that time. Purchased fixed assets are recorded at cost. Repairs and maintenance are charged to operations. Betterments, renewals and purchases of more than \$2,500 are capitalized. Fixed assets are depreciated using the straight-line method over the useful life of the asset or the term of the lease, if shorter.

Depreciation expense was \$122,588 and \$115,842, respectively, for the years ended June 30, 2020 and 2019.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INTANGIBLE ASSETS

Website development and computer software costs are being amortized on a straight-line basis over estimated useful lives of five years.

Amortization expense was \$4,158 and \$4,158 in 2020 and 2019, respectively. Amortization expense is estimated to be as follows for each of the remaining years:

Fiscal Year	Amount
2021	\$ 2,758
2022	640
2023	 377
Total	\$ 3,775

FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, costs have been allocated among the programs and services benefited. Staff costs are allocated based on time and effort. Costs associated with occupancy are allocated based upon square footage. Management and general expenses include costs not identifiable with any specific program, but which provide for the overall support and direction of the Chorus.

INCOME TAXES

The Chorus is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and is exempt from state income taxes under Chapter 180 of the Massachusetts General Laws. Unrelated business income, of which there was none for the years ended June 30, 2020 and 2019, would be subject to Federal and state income taxes. Consequently, the accompanying financial statements do not reflect any provision for income taxes.

SUMMARIZED COMPARATIVE INFORMATION

The financial statements include certain prior-year summarized comparative information in total but not by net asset class or functional areas. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. GAAP. Accordingly, such information should be read in conjunction with the Chorus' financial statements for the year ended June 30, 2019, from which the summarized information was derived.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

RECENTLY ADOPTED ACCOUNTING PRONOUNCEMENT

During 2020, the Chorus adopted the provisions of Accounting Standards Update ("ASU") No. 2018-08, Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (Topic 605). The guidance clarifies and improves the scope and accounting guidance for contributions received and contributions made. Specifically, the ASU assists not-for-profit entities in evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) or as an exchange (reciprocal transactions) and whether a contribution is conditional. There are no effects of the new requirements on amounts reported in the Chorus's financial statements.

In November 2016, the Financial Accounting Standards Board ("FASB") issued ASU 2016-18, *Statement of Cash Flows (Topic 230) - Restricted Cash* to address diversity in practice with respect to the cash flows presentation of changes in amounts described as restricted cash and cash equivalents. ASU 2016-18 requires a reporting entity to include amounts described as either restricted cash or restricted cash and cash equivalents (collectively referred to as "restricted cash" herein) when reconciling beginning and ending balances in its statement of cash flows. The update also amends Topic 230 to require disclosures about the nature of restricted cash and provide a reconciliation of cash, cash equivalents and restricted cash between the balance sheet and the statement of cash flows. ASU 2016-18 was adopted retrospectively during the year ended July 31, 2020. The Chorus had no restricted cash at June 30, 2020, 2019 or 2018. Consequently, there were no changes to ending cash and restricted cash as of June 30, 2019 or 2018.

The Chorus adopted FASB ASU 2014-09, *Revenue from Contracts with Customers (Topic 606)*. This ASU provides new revenue recognition guidance that superseded existing revenue recognition guidance. The update, as amended, requires the recognition of revenue related to the transfer of goods or services to customers which reflects the consideration to which the Chorus expects to be entitled in exchange for those goods or services, as well as additional qualitative and quantitative disclosures about revenues. The Chorus adopted ASU 2014-09 on July 1, 2019.

Analysis of various provisions of this standard resulted in no significant changes in the way the Chorus recognizes revenue, and therefore no changes to the previously issued audited financial statements were required on a retrospective basis. The presentation and disclosures of revenue have been enhanced in accordance with the standard.

12. COMMITMENTS AND CONTINGENCIES

In early 2020, an outbreak of a novel strain of coronavirus (COVID-19) emerged globally. As a result, events have occurred including mandates from federal, state and local authorities leading to an overall decline in economic activity. As a result, economic uncertainties have arisen which have impacted and are likely to continue impacting operations. The ultimate operational and financial impact is unknown at this time. The Chorus has taken actions to mitigate the potential negative financial impact including modifications of its lease obligation and receiving funding pursuant to the CARES Act. If the length of the outbreak and related effects on the Chorus's operations continues for an extended period of time, there could be a loss of revenue and other material adverse effects to the Chorus's financial position, results of operations, and cash flows.

13. SUBSEQUENT EVENTS

The Chorus has evaluated subsequent events through September 27, 2021, which is the date the financial statements were available to be issued. Management believes there are no events which require disclosure except as discussed in notes 7 and 8.
